Dear Mr. Houston -

It was
very enjoyable to talk
with you last week about
work in your office.

You confirm one's
thoughts and hopes that
there are important
jobs to be done, and

rewards are great. I was delighted to find that the prospects of joining your staff are encouraging, and I hope developments are such that it will be possible to do so.

I am preparing form 38-1, Personal

STAT

STAT

History Statement, and will
mail it to 
under separate cover.

If you feel that
it would be helpful to
talk with one of the
partners in the firm
where I am practicing
I would appreciate word
from you ahead of time

So that I might advise
them that an inclination
of mine which they
know about had become
a more definite possibility.

Thank you again
for your kindness.

Sincerely yours,

STAT
